

SALT LAKE CITY FIRE DEPARTMENT COVID-19 FLOWCHARTS

IMPORTANT: Communicate early. If you think you have been exposed to COVID, or potentially have COVID, **immediately** communicate with the Exposure Control Team. Early notification helps protect you and other Fire Department employees from illness, restrictions, and loss of time.
Employees who are sick (COVID symptoms or otherwise) should not come to work.

EMS RESPONSE TO COVID PATIENT

Contact Information

Exposure Control Team (Community Health):
E: COVIDExposure@slcgov.com; 24/7 Phone: 801-590-7606

Exposure Control Officer: Capt. Brandon Shumway (P: 801-209-4933)

CorVel Hotline: 855-283-2710

Midtown Clinic @ 230 S 500 E (P: 801-320-5660) - Mon-Fri 0830-1630

Employees who are sick (COVID symptoms or otherwise) should not come to work.

EMPLOYEE SICK PROTOCOL

Applies to both vaccinated and unvaccinated employees

Employee:
-has had any COVID symptom (see list)
-is being tested for COVID
-has tested positive for COVID

Actions:

- **Immediately** notify Exposure Control Team
- Complete Employee COVID Report JotForm
- Notify supervisor
- Do not report to work until directed by SLCFD Administration
- If at work, immediately follow Workplace Isolation Restrictions

Proceed as directed by SLCFD Administration

Workplace Isolation Restrictions
Employee(s) instructed to follow Workplace Isolation Restrictions.

Actions:

- Complete COVID Health Screenings at least every 12 hours of shift
- Social distance from other employees (6 ft. apart or greater)
- All crew members shall wear a mask when social distancing is not possible
- Isolate in personal areas (i.e. dorms) as often as is reasonable
- Officers have the primary responsible to ensure restrictions are followed.

ANY COVID EXPOSURE

VACCINATED EMPLOYEES:

- Employee shall monitor for COVID symptoms
- No quarantine or testing is necessary unless COVID symptoms develop

UNVACCINATED EMPLOYEES:
Employee had close contact with someone who:

- Tested positive for COVID-19
- Is being tested for COVID-19
- Has COVID symptoms (refer to list)

Note: unvaccinated employees who wear their mask, per policy, in a potential exposure situation may be considered a low-risk exposure with a lower likelihood for quarantine

Actions:

- **Immediately** notify Exposure Control Team
- Notify supervisor
- DO NOT come to work until directed by SLCFD Administration
- If at work, immediately follow Workplace Isolation Restrictions
- Notify Human Resources*

Proceed as directed by SLCFD Administration

Note: Plan-B employees who contract COVID and are therefore required to quarantine are able to apply for SDI. The first 48-hours off are considered an exclusionary period and are not included in SDI but time off beyond that may be eligible. Contact Capt. Shumway (E: brandon.shumway@slcgov.com) with questions about SDI.
Plan-A employees will be required to use their own sick/injury leave.

COVID SYMPTOMS: Fever > 100.0° or chills / Cough / Shortness of breath or difficulty breathing / Fatigue / Muscle or body aches / Headache / New loss of taste or smell / Sore throat / Congestion or runny nose / Nausea or vomiting / Diarrhea
